

# MATTIAS ROOS

SWEDISH - SOUL - FUNK | ARTIST | PRODUCER |

Mattias Roos is a Swedish musician, songwriter and producer with a quite long track record to his name on the Swedish music scene.

He started play the piano at the age of six, and started to give lessons When he was 16.

Mattias formed his first band when he still was in school, and started to play the music that has influenced his style today, Al Jarreau, Mezzoforte, Toto, David Sanborn, Chaka Khan, Michael Ruff and many more in that genre.

Today Mattias is the musicdirector in the local church were he lives, and he also work alot with the young musicians in the city to help them develop their music skills.

Mattias is a well hired producer among Swedish artists, and have also been playing with several Scandinavian artist such as, Ole Börud, Frank Åhdal and Samuel Ljungblahd, just to mention a few great artists.

His keyboard work and songwriting skills can be heard in a series of songs spanning over several music genres. Mattias has recorded piano and keyboards for international artist like guitar player U-Nam, the soulful and Funky James Day, J.D's Time Machine, Mattias has done collaborations with, Saxplayer Andrey Chmut, Elan Trotman, Greger Hillman, and U-Nam.

Mattias have released three full album, the first was **"My Story"**, as an independent artist, the song "Dreaming" on the album, won the price for best Smoothjazz Song By "The Akademia" In LA.

Mattias second album **"Movin'Up"** was a great hit, and went stright up to the top on the Smooth Jazz Charts worldwide.

His third album "**It Goes On And On**" was released summer 2019, and was a huge success and was one of the best selling smooth jazz album on Amazon.

Mattias is also the founder and producer of the Swedish Soul and Westcoast band, Soweco, they released their first album 2015. Soweco has now released their second album "**Keep On**", also at the label Skytown Records. Soweco won the price "Best Newcomers Of 2015" in Scandinavian Soul Music Awards.
